

Upcoming Programs

DELANIE'S IMAGINATION STATIONS

In September 2015, the Gives Back Foundation will launch its first “Delanie’s Imagination Station” in a deserving Nashville-area Title I elementary school. These stations will consist of new libraries/reading oasis placed in deserving Title I schools; providing at-risk students with access to books and a safe environment to read with their families and friends.

BACK TO SCHOOL COOL

The “Back to School Cool” program will be held in August and December with the purpose of ensuring that Title I, Nashville-area middle school students have the items needed to go back to school with confidence. Delanie will host 250 inner-city, low-income middle school students at a retail location where they will meet Delanie, receive backpacks filled with back to school supplies and clothing and/or shoes so they can look their best on the first day of school and the first day back after Holiday Break.

COLLEGE BOUND

The Gives Back Foundation’s “College Bound” Program will provide renewable, \$820 per semester scholarships that can be used for tuition, books or room/board to low-income and at-risk college bound students.
